YOUR FOLLOW-UP CARE

Please call us within 30 days to inform us how the program is working for you. As always, our business staff is available 5 days a week to answer any questions you may have. You can also email us at ask@michiganholistichealth.com. We expect to provide follow-up care to you to monitor the efficacy of your medical use of marijuana.

As of April 1, 2013, the state is issuing two-year cards. However court cases in Michigan have held that a registry card—even one verified by the state-does not prove "ongoing" contact between the physician and patient.

For your protection, Michigan Holistic Health will need an annual appointment with you to maintain your doctor-patient relationship as required by the state. The charge for this annual appointment next year will be $75. We will review and assess your medical history and current medical conditions to determine that you are still likely to receive therapeutic or palliative benefit from the medical use of marijuana to treat your condition. We will also discuss how well the program is working for you and offer recommendations for any additional care, such as alternative therapy.

"No marijuana-related legal action pending" Agreement

By signing below, I, _____, assert that

as of today, the _____ day of _____ in the year _____,

I have NO marijuana-related legal issues pending in the courts of any level of government.

Examples of pending marijuana-related legal issues include, but are not limited to: unresolved misdemeanor or felony criminal charges stemming from the growing, possessing or operating a vehicle under the influence of marijuana, probation violation hearings concerning testing positive for marijuana activity (medical or otherwise) and civil actions against employers or former employers concerning termination of employment relating to your status as a medical marijuana patient.

I understand that according to the Michigan Medical Marihuana Act's affirmative defense outlined in MCL 333.76428(a)(1), a bona-fide patient-doctor relationship must be established by any defendant/patient who seeks to have his criminal charges successfully dismissed under the MMMA. I understand and agree that breaching this agreement will render null and void any bona-fide patient-doctor relationship that may have existed between myself and the physicians at Michigan Holistic Health, PLLC at the time of service.

I also further assert that any and all information I give pertaining to my "qualifying condition" as defined by the State of Michigan, is accurate and complete.

I further understand that should an applicable court refuse to dismiss a pending criminal charge as a result of the contents of this agreement, I will hold Michigan Holistic Health, PLLC harmless for the legal consequences associated with my potential sentence, incarceration, civil forfeiture, fines, restitution, court and attorney costs.

This agreement pertains to treatment and services provided by Michigan Holistic Health PLLC – a Michigan Corporation.

And by signing this form, you, the patient-applicant, are stating that you understand and agree with the following statements of fact:

6. You are in charge of the most comfortable and effective method of delivery – vaporizer, topicals, smoking or edibles. (It is not advisable for patients with lung issues or smoke allergies to smoke marijuana.) These are general guidelines and should be used in conjunction with your own common sense and wisdom about your health.
7. The cultivation, possession and use of cannabis – even for medical purposes – remains a crime under federal law.

And I further agree not to make any legal claim or complaint or commence any proceeding against the same physician for my use of crude medical marijuana. I release the same physician from any and all actions, causes of actions, claims, complaints and demands for damages, loss of injury whatsoever arising directly or indirectly as a result of my medical marijuana application to the state of Michigan or my use of medical marijuana.
